Annwyl Gyfaill

Treuliais fy mlynnyddoedd cynnar yng Nghymru, ond oherwydd amgylchiadau teuluol bu rhaid symud i Essex. Yno y ces i fy addysg a'm hyfforddi'n gyfrifydd. Daeth cyfle i ddychwelyd i Gymru yn 1987 ac i ymsefydlu yn yr ardal hon. Rwy'n hunan-gyflogedig ar hyn o bryd ac yn gweithio o gartref yn darparu gwasanaeth cyfrifo i ystod amrywiol o glientiau.

Rwy'n briod â Gilbert, contractwr llogi peiriannau, ac yn fam i bump o blant ac mae gennyf un wŷr bach.

Rwy'n ddarpar Gadeirydd Cyngor Cymuned Llanybydder a Rhydcymerau ac ar gorff llywodraethwyr yr ysgol leol. Rwy'n drysorydd Clwb Pêl droed Llanybydder a'r Cynghrair Dartiau Lleol. Rwy'n Gadeirydd y pwyllgor ymgyrchu lleol a achubodd gam yr Anedd yn Llanybydder.

A minnau'n aelod gweithgar o'r gymuned, byddai'n fraini i wasanaethu'r ardal hon a bod yn gyswllt effeithiol ar bynciau lleol a drafodir yn y Cyngor.

Yn ddiffuant

Fiona Hughes

Dear Friend

Although I spent my early years in Wales, family circumstances forced a move to Essex, where I was educated and trained in accountancy. An opportunity arose for me to return to Wales in 1987 when I settled in this locality. I am currently self-employed, working from home and providing accountancy services for a varied client base.

I am married to Gilbert, a plant hire contractor and have five children and one grandson.

I am currently Chairperson elect of Llanybydder & Rhydcymerau Community Council and a recently appointed school governor. I am treasurer of both senior and junior local football clubs and also of the District Darts League. I am Chairperson of the CARE committee which recently mounted a successful campaign against the closure of Anedd Residential Home in Llanybydder.

As an active member of this community, I would feel honoured to serve this area and provide an effective link to local Council issues.

Sincerely

Fiona Hughes

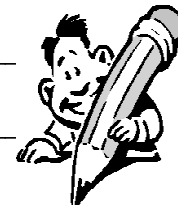

My priorities for Llanybydder Ward:

1. Meeting local housing needs and increasing affordable housing.
2. Ensuring the continued provision of care facilities for the elderly.
3. Improving youth services and recreational facilities.
